14th October 2013

Dear Parent/Carer,

Re: Industrial Action 17th October 2013

You will have been informed that schools in Tower Hamlets are affected by industrial action by the Teachers' Unions. The purpose of this letter is to explain the arrangements for the day.

School will be open at the usual time but lessons will not take place. Students do not have to attend but the school will be open for individual independent learning including students for whom childcare cannot be arranged. Children would be able to come to school and work, under supervision, in the library and the independent learning centres. If they do attend school they would be expected to arrive at the usual time, as directed in the text sent out on Monday 14th October. In this context, a packed lunch would be available for students who needed a meal.

I hope these arrangements will not inconvenience you and that the period of notice will allow you to plan accordingly for the day.

Yours sincerely,

H. Evans
