Dear Parents/Guardians,

Year 9 Parents' Forum 23rd October 2013 430pm

I write to invite you to the Year 9 Parents' Forum Meeting on 23rd October 2012 at 430 pm in the Great Hall.

As you may be aware, the school has established a Parents' Forum meeting, but now we would like to invite parents from each year group in turn to a meeting tailored to the needs of that year group. The Parents' Forum is once a term and the aim of the meeting is to give parents the opportunity to understand the school's vision and targets as well as to explain planned changes and developments at the school. Parents are encouraged to contribute to the discussions. We would like to continue to strengthen our home-school relationships and hope that you are able to attend this next Parents' Forum.

All important dates, including the Parents' Forum Meeting dates and times are published on the school's website and on Fronter. We will also be sending you a text message to remind you of these meetings.

We believe that by working more closely together and having a focused year group Parents' Forum Meeting at the start of each new Academic Year we can establish a shared vision to help your child achieve their full potential at GCSE. We highly recommend that you attend this meeting as it will outline our expectations of students now that they are starting to follow the Key Stage 4 programme of study in most subjects; inform you of important events during this academic year and most importantly, it will also help you to support your child with their coursework deadlines, revision and exam preparation.

We are grateful to all parents/guardians for your on-going support. We look forward to seeing you on Wednesday 23rd October 2012. Thank you in anticipation of your support.

Yours sincerely,

Haydn Evans
