Keeping Children and Young People Safe

Dear Parents and Carers,

One of the key priorities, for Sir John Cass and Red Coat School and for all parents and carers, is to keep our young people safe in order to ensure they get the best possible start in life and achieve to their full potential.

We are delighted that over the coming months, the Local Authority will be offering all parents and carers in Tower Hamlets schools an opportunity to attend a workshop on keeping children and young people safe.

This 2 hour workshop will give you the opportunity to explore ways to keep young people safe from the risks they may face as they grow and will help you to deal with conflict in a positive way. It will provide guidance for safe use of the internet / social media and information on where you can obtain further help, advice and support, including courses and resources available within the school and the Borough. The workshop will also help you to support young people to make their own choices so they are less likely to be led or persuaded by extremist views.

The Local Authority will be offering these workshops at Sir John Cass and Red Coat School throughout the spring term.

You are invited to attend a workshop for parents and carers of pupils in: **Years 7,8**

Thursday 5th March at 10.00 a.m.

The workshop will take place in the conference room

Workshop places are limited so **please register your interest by completing the tear off slip below and returning it to school as soon as possible.**

Refreshments and a crèche will be available (Please indicate whether you require a crèche on the tear off slip below).

Sir John Cass's Foundation and Red Coat Church of England Secondary School

Headteacher: H. Evans MA, MSc, CBE

STEPNEY WAY LONDON E1 0RH

Telephone : 020 7790 6712
Fax : 020 7790 0499
