Worship Theme: Attitude.

This week we reflect on our attitude toward life and toward the way we deal with one another. A positive attitude can make bad times bearable. People who have a positive outlook also enjoy many health benefits, including a reduced risk of heart disease and a longer life expectancy. However, a positive attitude isn't just a matter of being cheerful. It involves being purposeful, optimistic, friendly, grateful and civil. Pastor Osteen said 'choosing to be positive and having a grateful attitude is going to determine how you're going to live your life.'
