## Weekly Bulletin

### Summer Term

w/c 1<sup>st</sup> October 2015 (Week 1)

### Headteacher

Mr Haydn Evans

**Worship Theme: Harvest.** This week we reflect on the Harvest. Harvest festivals are celebrated in some of the world's religions, including, Christianity, Hinduism and Judaism, It is a religious festival that celebrates all that God provides for us, especially our food. During August and early September farmers in the Northern Hemisphere harvest their crops of food. At the end of September the community took time to show gratitude to God and give thanks for all they had to eat. It is also sometimes a time when religious believers pray for those who are in need. In Christianity harvest festival was a time Christians brought gifts of food to share with those less fortunate than themselves, like the sick and old ages pensioners on a low income. **H.**
