### Worship Theme: The Straight and Narrow.

Gandhi once said 'he who strives never perishes. I have implicit faith in that promise. Though therefore, through my weakness I fail a thousand times, I will not lose faith.' This week we reflect on the idea that within many of the world's religions there is a belief that the correct or best way to live our lives is by following a spiritual and moral path. In Christianity this is known as the straight and narrow path. In Islam it is called the straight path or Sharia. In Buddhism it is focused on following the Noble Eightfold Path. In Judaism it is focused on following the Torah. The so called "straight and narrow path" that we chose to follow will depend upon which religion we are committed to. However, the relentless striving that Gandhi reminds us of, would appeal to most if not all religions.
