2. Year 7 Catch-Up at the end of Tracking Period B

During Tracking Period A (TPA), the school had identified only 2 Year 7 students who arrived with level 3 or below in English or Maths. The number of students has increased to 9 from TPA to TPB. This is due to all schools receiving Key Stage 2 data for students late from their primary school.

The School continues to use the Catch-Up funding for the following:

- Investment in staffing to allow smaller sets for lower ability students.
- Intervention with Academic tutors.
- A specialised curriculum targeted specifically at pupils working towards level 4.
- Consultancy support for mathematics to develop the KS3 mathematics curriculum.

The following Analysis shows the comparison of the average points and grades of the Year 7 students below and above Level 3 in all subjects.
