

CASS HOMEWORK

Guidelines for Students

Homework checklist for students;

- Why am I doing this homework? What am I supposed to be **learning**, or **practicing** as a result of it?
- How does this homework **link** to my classwork?
- How much **time** should I be spending on this task?
- When is the **deadline**?
- Have I written this homework in my **planner**?
- Do I have the **resources** to do this homework? Where can I get hold of resources if I need them?
- What are the **success criteria** for this piece of homework?

Type of Homework	Definition
1. Practice	Completing tasks that allow students to practice a technique learnt in class.
2. Preparation	Pre-reading or learning that prepares students for the classroom.
3. Study (revision)	Directed revision tasks that involve students creating something to demonstrate their revision.
4. Extending learning	Tasks that provide stretch and challenge for all students to go beyond what they have learnt in class.

The **time** and **effort** spent on homework leads to **excellent progress**.
