

CASS ENRICHMENT

SIR JOHN CASS RED COAT SCHOOL

We will achieve excellence and inspire generations the Cass Way

Autumn
term
2018

GET INVOLVED

- Motivation
- Self-confidence
- Community
- Interpersonal skills
- Experience
- Resilience
- Aspiration
- Internationalism

What is Enrichment?

The Enrichment programme at Sir John Cass School offers an extensive programme of extra-curricular activities to all Sir John Cass students. School enrichment programme offers students outstanding leadership opportunities whilst allowing them to achieve nationally recognised qualifications.

These activities aim both enhance the student's learning experience and broaden the scope of what they are learning through practical experiences that link the academic theory with real world applications and offer personal and social development opportunities to the learners involved. As schools focus on ensuring that all of the activities they offer contain meaningful and relevant academic and educational content, it is important that their curriculum includes time and opportunities to offer activities which directly relate and reinforce the academic material being covered in the classroom phase of learning.

What are the benefits?

- Increased motivation to learn
- Improved self-confidence
- Feelings of belonging to a larger community of health professions students
- Reduced anxiety about academic readiness
- Stronger peer relationships, especially among those who share a common interest
- Increased persistence and resilience
- Discovery of valuable personal qualities previously unknown
- Experience with hands-on activities
- Experience engaging in high level discussion with other motivated students, sometimes from different states and countries
- Enhanced interpersonal skills
- Learning at a much higher level academically and socially
- Follow their passion

1 Peter 4:10

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms"
