Headteacher **Paul Woods** commented: "We are extremely proud of our students who achieved excellent grades this year. Many students have made considerable progress since they joined the school. This is due to the hard work and determination of the students themselves, the help of parents and the dedication and enthusiasm from teachers for every student to succeed. We wish all of our students who have graduated from Year 11 and Year 13 the very best of luck for the future, whether it be continuing into further education in our Sixth Form or moving elsewhere or on to University, and we cannot wait to hear about the good things that our students achieve in their future lives."
