## 2. Year 7 Catch-Up at the end of Tracking Period C

The following Analysis shows the comparison of the average points and grades of the Year 7 students below and above Level 3 in all subjects.

Having a detailed look at breakdown below this shows the catch up for English and Maths from Tracking Period B and C by average grade points.

|  |  | TPB |  | TPC |  |
| :--- | :--- | ---: | ---: | ---: | ---: |
| Year 7 Catch Up |  | English | Maths | English | Maths |
| Below Level 3 | Average points | 33.22 | 28.77 | 37.30 | 36.87 |
| Above Level 3 | Average points | 46.48 | 43.19 | 48.94 | 50.41 |

For the Y7 students who are below Level 3, the average level of progress was 2.50 for English and 2.50 for Mathematics.

For the Y7 students who are above Level 3, the average level of progress was 3.07 for English and 3.07 for Mathematics.

## 3. Pupil Premium Analysis in Year 11 - May 2016

From Tracking Period B we can analyse and compare Year 11 TPC GCSE grade points for Pupil Premium and non-Pupil Premium students in all Ebaac subjects.

The GCSE Point Scores table is also given, so that the Governors can see how the point scores are translated into grades in the graph above.

GCSE Point Scores

| GCSE <br> Grade | Point Score |
| :---: | :---: |
| A $^{*}$ | 58 |
| A | 52 |
| B | 46 |
| C | 40 |
| D | 34 |
| E | 28 |
| F | 22 |
| G | 16 |

At the end of Tracking Period C (TPC), 133 or $69 \%$ of the current year 11 cohort were classed as disadvantaged/pupil premium students.

On average, non-disadvantaged students performed better than disadvantaged students in all Ebaac subject areas with average difference between the two cohorts being no more than a whole GCSE grade (or 6 points) across all subjects.

It needs to be addressed here that this is an overall view since points are based on an average for each group. This doesn't mean that there are no disadvantaged students performing better than non-disadvantaged students in these subjects.

## Specifically:

English: The subject with least difference between the two cohorts was English. The difference here was 2.5 GCSE grade points.

Maths: In Maths, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 4.1

Science: In Science, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 3.6

Geography: In Geography, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 3.1

History: In History, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 3.2

Bengali: The subject with the greatest difference was MFL - Bengali where the average difference was 5.7 GCSE grade points.

French: In MFL - French, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 4.7

Spanish: In MFL - Spanish, the difference between average GCSE grade points for nondisadvantaged students and disadvantaged students was 2.8
